

"Good" Works of the Month

Assemblyman Steve Englebright

Steve Englebright, a Democrat from East Setauket, represents the Fourth Assembly District that includes the Middle Country community. A trained geologist, Englebright is the curator of geologic collections at Stony Brook University. He is a founding director of the Museum of Long Island Natural Sciences and a tireless advocate for the environment. He first ran for public office in 1983, when he was elected to the Suffolk County Legislature. Englebright won a state Assembly seat in 1992 and has for 15 years served as a voice for the Middle Country community in Albany.
